# Personal cabinet

**Your personal account** is a special section of the web-site that is available only to You. In your personal account, you can get comprehensive information about the status of your personal account, connected services, and get statistics on communication sessions and payments.

You need to log in to your personal account. It is not recommended to allow saving the password, as this may reduce the security level.

## **The main purpose of a personal account is:**

- Providing convenience for individuals who are clients of a commercial Bank to monitor their funds on current accounts;
- Manage your current account balances via the Internet.

## **Terms of use:**

In order to function properly, users must have the Windows-98/NT/2000/XP operating system and Internet Explorer 6.0 or higher installed on their computers. The input operator must have user skills in the "Windows" environment and be able to access any Internet Explorer web browser.
